Overnight Detours Planned for the I-95 North Service Road to Main Street Bridge and Acosta Bridge

Jacksonville, Fla. – As part of the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, the I-95 north service road to Main Street Bridge and Acosta Bridge will see overnight detours beginning Thursday, April 17 through Saturday, April 25 from 8 p.m. to 6 a.m. while crews replace overhead signs.

Detour: Motorists using the I-95 northbound service road to the Main Street Bridge and Acosta Bridge will be detoured to Atlantic Boulevard, take a left onto Atlantic Boulevard, take a right onto Kings Avenue, take a left onto Prudential Drive, then take a right onto Main Street. Drivers who wish to take the Acosta Bridge will take a left onto Mary Street from Main Street.

FDOT hired Archer Western to complete this \$126 million project in early 2021, weather and unforeseen circumstances permitting.
