## Broward Road Ramp to I-95 Southbound Closed Overnight Tuesday

*Overnight lane closures on Zoo Parkway also scheduled Sunday through Tuesday*

**JACKSONVILLE, Fla.** – The I-95 southbound on-ramp from Broward Road will be closed overnight Tuesday, February 22 from 7 p.m. to 6 a.m. Broward Road traffic will detour east on Zoo Parkway to the Main Street (U.S. 17) interchange to access I-95 southbound. (Detour and closure shown in map below.)

Drivers should also expect multiple overnight lane closures on Zoo Parkway from Main Street to Broward Road Sunday, February 20 through Tuesday, February 22.

February is “hit-and-run” awareness month in Florida. When you flee the scene of a crash you are breaking the law, which carries serious consequences. FDOT reminds motorists to take responsibility and stay at the scene of a crash.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
