Construction to Start on Multi-Use Trail from 36th Avenue in Hampton to State Road 100

HAMPTON, Fla. – Work is scheduled to begin next week on construction of a nearly 4-mile-long paved multi-use trail from 36th Avenue in Hampton to State Road 100. The project includes base work, construction of trail, bridge, signage, drainage improvements and other incidental construction.

This segment is one of three in Bradford County being paved as part of the Palatka-to-Lake Butler State Trail. This trail is also part of the larger statewide Florida SUN Trail Network.

Traffic will be maintained in accordance with FDOT design standards throughout the project. No lane closures will be permitted between the hours of 6:30 a.m. and 8:30 a.m. Monday through Friday.

FDOT hired Anderson Columbia Co., Inc. to complete this \$5.3 million project, which is expected to be complete in summer 2023, weather and unforeseen circumstances permitting.

A crash can occur at any moment. Whether you are traveling one mile or one thousand miles, the driver of a motor vehicle and all passengers should always wear a seatbelt. Children ages 0 through 3 must be in child restraint. Kids ages 4 through 5 must be in a separate carrier, integrated child seat or booster seat. Let's get everyone home safe. #TargetZeroFL

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
