Detours for signalization work at S.R. 207 and C.R. 13 rescheduled

Putnam County – Detours for traffic signal work originally planned Sunday, May 13 on State Road 207 (S.R. 207) Palatka to St. Augustine State Trail project at County Road 13 (C.R.13) south has been rescheduled to Monday, May 14 from 9 p.m. to 5 a.m., weather and schedule permitting.

Northbound State Road 207 traffic will be detoured to Old State Road 207.

Southbound traffic will be detoured south on County Road 13 to the inside northbound lane utilizing the asphalt cross over. Once clear of the work zone, southbound traffic will then be diverted back to the southbound lanes via the asphalt cross over.

The State Road 207 Rail Trail multi-use path project from Hastings to Spuds construction includes a bike/path crossing across State Road 207 with a HAWK (High-Intensity Activated CrossWalk) pedestrian crossing signal, traffic signals, lighting, and drainage north of State Road 206.

Morrison-Cobalt JV began the \$5.8 million project in August 2017 and is scheduled to complete the work by late fall 2018.

For more information regarding construction projects, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
