### **I-10 Eastbound from State Road 228 to State Road 23 Detoured Sunday Night**

**JACKSONVILLE, Fla.** – The eastbound lanes of I-10 from State Road 228 to State Road 23 are scheduled to close Sunday, April 30 from 9 p.m. to 5 a.m. In the case of inclement weather on Sunday night, the closure would take place overnight on Monday, May 1. The overnight closures are needed to perform a traffic shift onto the new I-10 eastbound lanes, as part of the I-10 and U.S. 301 interchange improvement project.

I-10 eastbound traffic will detour using State Road 228, U.S. 301 and U.S. 90 to State Road 23/First Coast Expressway.

Superior Construction Company began the \$65 million interchange improvement project in February 2016 and is estimated to complete the work this summer, weather and schedule permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](http://nflroads.com). The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
