I-10 East to I-295 Off-Ramps to Be Detoured Next Week *New off-ramp to be placed in service*

JACKSONVILLE, Fla. – As part of FDOT’s I-10 from I-295 to I-95 widening project, the I-10 east to I-295 off-ramp will be detoured Thursday, September 1 from 10 p.m. to 5 a.m. while crews switch traffic from the existing ramp to the newly-constructed ramp, weather and unforeseen circumstances permitting.

Drivers on I-10 east who wish to take the I-295 off-ramp will continue on I-10 east, take the Lane Avenue exit, turn left on Lane Avenue, turn left onto the I-10 west on-ramp and continue to I-295 (see map below).

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.

August means back to school! Kids walk, bike, and wait for the school bus in the early morning hours. Motorists should always obey school speed zone limits and never drive distracted.
