ICYMI: Emerson Street to Close for Railroad Crossing Construction May 7-13

JACKSONVILLE, Fla. – Emerson Street will close in the immediate area of the railroad crossing located near Philips Highway (U.S. 1) as part of a project to replace the crossing surface. The closure is expected to begin Sunday, May 7 at midnight and remain in place until 6 p.m. Saturday, May 13, weather and unforeseen circumstances permitting. Detours are as follows:

Emerson Street east of the crossing: Traffic will travel south on Philips Highway, right on University Boulevard, right on San Jose Boulevard and proceed to Emerson Street.

Emerson Street west of the crossing: Traffic will travel south on Hendricks Avenue, left on University Boulevard, left on Philips Highway and proceed to Emerson Street.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com).

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
