King Street to be Detoured Beginning May 23

JACKSONVILLE, Fla. – As part of FDOT's I-10 from I-295 to I-95 widening project, King Street will be detoured from May 23 through May 27, May 31 through June 17, June 20 through July 8, and July 11 through August 5 while crews perform bridge construction activities, weather and unforeseen circumstances permitting.

Drivers will use either McDuff Avenue or Stockton Street and Rosselle Street or Edison Avenue to reconnect with King Street (see map below).

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.

May is motorcycle and bicycle safety awareness month. Motorcyclists and bicyclists are vulnerable road users. Look twice before pulling into an intersection, changing lanes, or making a turn. Be a cautious driver and let's get everyone home safely!

Drivers seeking real-time traffic alerts are encouraged to visit <u>www.FL511.com</u> or download the FL511 app prior to their journey.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at <u>@MyFDOT_NEFL</u> on Twitter, at <u>MyFDOTNEFL</u> on Facebook or by visiting nflroads.com.
