### **Nighttime Closure and Detour of Eastbound I-10 to U.S. 301 Exit Ramp Planned Jan. 10**

**BALDWIN, Fla. –** As part of the I-10 and U.S. 301 interchange improvement project, the ramp from eastbound I-10 to U.S. 301 will be closed and traffic detoured on Wednesday, Jan. 10, weather and unforeseen circumstances permitting. The closure and detour will start at 9 p.m. and be in place until testing is complete, but no later than 5 a.m.

**Eastbound I-10 to U.S. 301 detour:** Traffic will travel to eastbound I-10, take the northbound State Road 23 exit, exit onto I-10 westbound and proceed to the exit for U.S. 301.

Superior Construction Company began the \$65 million interchange improvement project in February 2016 and is estimated to complete the work early 2024, weather and schedule permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
