Nighttime Westbound Lane Closures Planned March 7, and 11-13 on J.T. Butler Boulevard at the Intracoastal Waterway Bridge

JACKSONVILLE, Fla. – As part of a bridge improvement project on J.T. Butler Boulevard (State Road 202) at the Intracoastal Waterway, nightly westbound lane closures are planned Thursday, March 7 and Monday, March 11 through Wednesday, March 13. Lane closures will be in place nightly from 10:30 p.m. to 5:30 a.m. the following morning, weather and unforeseen circumstances permitting. No lane closures will be permitted during The Players Championship (March 14-17).

Oceanik.US, Inc. was selected to complete the \$1.7 million project. The bridge improvements consist of installation of galvanic pile jackets for select piles and other incidental construction on J.T. Butler Boulevard. Completion is estimated in Fall 2024, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](#) on Twitter, at [MyFDOTNEFL](#) on Facebook or by visiting [nflroads.com](#). Drivers seeking real-time traffic alerts may visit [www.FL511.com](#) or download the FL511 app.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
