Overnight Bridge Maintenance Planned Next Week on State Road 206 Crescent Beach Bridge Over Matanzas River

ST. JOHNS COUNTY, Fla. – Construction on a project to complete maintenance work on the State Road 206 Crescent Beach Bridge over the Matanzas River will require overnight, intermittent bridge closures.

Beginning Wednesday, Apr. 19 between the hours of 10 p.m. and 5 a.m., bridge maintenance openings will be implemented in lieu of detours. During this time, motorists can expect up to a 15-minute delay upon arrival at the bridge. The Contractor will allow through traffic across the bridge after a short wait.

Seacoast, Inc. was selected to complete this \$938,000 project, which includes coatings restoration and structural steel repairs on various mechanical draw bridge components. Completion is estimated in late 2023, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com.
