### **Overnight Detour of I-295 North Ramp to Eastbound Butler Boulevard Planned April 24**

**JACKSONVILLE, Fla.** – As part of the interchange improvement project at J.T. Butler Boulevard (State Road 202) and Kernan Boulevard, the ramp from northbound I-295 to eastbound Butler Boulevard will close overnight Wednesday, April 24 for paving activities. The ramp will close at 10:30 p.m. and reopen by 5:30 a.m. Thursday, April 25. If needed to complete the work, the same closure will be in place overnight Thursday.

During the closure, drivers will continue on I-295 North, exit at Beach Boulevard (U.S. 90), travel east on Beach Boulevard and south on Kernan Boulevard to access eastbound Butler Boulevard.

FDOT hired J.B. Coxwell Contracting to complete the \$17.1 million project, which includes construction of a partial cloverleaf interchange, adding capacity to on- and off-ramps, milling and resurfacing of existing pavement, roadway lighting improvements, construction of ponds and other drainage improvements and installation of new signage and mast arm signals. The project is estimated for completion in late 2024, weather and unforeseen circumstances permitting.
