Overnight Detours Planned for Next Week at the I-95/I-295 North Interchange

I-295 East to See a New Traffic Pattern

JACKSONVILLE, Fla. – FDOT will have multiple overnight closures and detours throughout the I-95/I-295 North Interchange Operational Improvements project beginning Sunday, March 31 for roadway and bridge construction operations, weather and unforeseen circumstances permitting. Please note that times may be adjusted to avoid conflicting detour traffic along the routes.

Closures scheduled Sunday, March 31 through Thursday, April 4 from 10 p.m. to 5 a.m. the following morning:

- **U.S. 17 closed:** Northbound drivers will detour to Busch Drive to I-95 north and take Airport Road to reconnect with U.S. 17. Southbound drivers will detour to Airport Road to I-95 South and take Busch Drive to reconnect with U.S. 17.
- **I-95 North to I-295 West exit closed:** Drivers will detour to Airport Road and take I-95 South to connect with I-295 West.

Closures scheduled Monday, April 1 and Tuesday, April 2 from 10 p.m. to 5 a.m. the following morning:

- **I-95 North to I-295 East exit closed:** Drivers will detour to Busch Drive to U.S. 17 to East Port Road and take Pulaski Road to reconnect with I-295 East.
- **I-95 South to I-295 East exit closed:** Drivers will detour to Airport Road to U.S. 17 to New Berlin Road and take Pulaski Road to connect with I-295 East.
- **I-295 East closed:** Drivers to I-95 South to Busch Drive to U.S. 17 to East Port Road and take Pulaski Road to reconnect with I-295 East.

Please note that drivers on I-295 East can expect a new traffic pattern, as traffic will be diverted to the I-295 East collector/distributor road during the overnight hours of Sunday, March 31. Drivers are encouraged to slow down and pay close attention to the new signs and pavement markings.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

This work is part of a new phase of construction on the I-95/I-295 North Interchange Operational Improvements project. The interchange upgrades are part of an important effort to promote economic growth and development in the region.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com. Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
