Overnight Ramp Closures at I-295 and Heckscher Drive Interchange Scheduled for Thursday

JACKSONVILLE, Fla. – The I-295 southbound on ramps from Heckscher Drive (SR-105) are scheduled to close overnight Thursday for construction related to the I-295 resurfacing project.

During the closures, all traffic will detour via New Berlin Road/Alta Drive to the Alta Drive and I-295 interchange located north of Heckscher Drive. Ramps will close at 9 p.m. Thursday, June 1 and reopen by 6 a.m. Friday, June 2, weather and unforeseen circumstances permitting. The backup date for this construction is Sunday, June 4, from 9 p.m. to 6 a.m. Monday, June 5.

The resurfacing and improvement project from the Dames Point Bridge to north of Heckscher Drive includes milling and resurfacing, guardrail improvements, restriping and new highway signage. In addition, the asphalt sections of the Dames Point Bridge will be resurfaced, and the bridge joints replaced.

Preferred Materials, Inc. is the contractor for the \$12 million project. It is scheduled for completion in fall 2023, weather and unforeseen circumstances permitting.
