

****Traffic Advisory****

JACKSONVILLE, Fla. – Riverside Avenue (SR 211) between Copeland Street and Stockton Street is scheduled to undergo a single lane closure and flagging operation while crews perform soil sampling work tomorrow, Wednesday, Jan. 17 from 9 a.m. to 4 p.m.

Roadway maintenance crews with flags will be stationed at designated points on the roadway to manage the flow of traffic during this necessary work. Crews will use flags, signage, and other safety equipment to direct motorists safely through the directional closure.

Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
