### **Travel Advisory: State Road 200 Lane Closure Schedule**

**JACKSONVILLE, Fla.** – This advisory is to inform community leaders and interested parties about upcoming scheduled lane closures, traffic shifts and other construction activity on State Road 200/A1A. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit [www.NFLRoads.com/TrafficReport](http://www.NFLRoads.com/TrafficReport).

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A improvement projects. Below are several lane closures planned for October 30 through November 6, weather permitting. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

#### **Notable**

FDOT crews are preparing to implement the new Diverging Diamond Interchange (DDI) at the intersection of State Road 200 and I-95 in the coming weeks. This implementation may take place as soon as November 8, weather and schedule permitting. To learn more about this innovative and efficient design visit: [www.nflroads.com/DDI](http://www.nflroads.com/DDI).

#### **Daytime lane closures**

##### **Ramp Closures:**

These are alternating closures with only one ramp closed at a time.

- The southbound I-95 off ramp to eastbound State Road 200 is expected to be closed Saturday, October 31 from 7 a.m. to 7 p.m. Traffic will be detoured onto westbound State Road 200 to turn around at the median west of Semper Fi Drive.
- The eastbound State Road 200 on ramp to northbound I-95 is expected to be closed Saturday, October 31 from 7 a.m. to 7 p.m. Traffic will be detoured east to turn around at Still Quarters Road.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
