### Weekday Detours Planned in Downtown St. Augustine (King Street at State Road A1A) for Drainage Improvements

**ST. AUGUSTINE, Fla.** – Weekday detours are scheduled to occur at the intersection of King Street (State Road 5A) and Avenida Menendez (State Road A1A) in downtown St. Augustine to complete work on a drainage improvement project. Detours are scheduled Sunday nights starting at 8 p.m. through Friday mornings at 6 a.m. beginning Sept. 24 for approximately four weeks.

During the closures, drivers on State Road A1A south can still access the Bridge of Lions. Drivers who wish to continue south will detour onto Cathedral Place, Cordova Street and south on Granada Street. Drivers on State Road A1A north will detour to Cordova Street north and follow posted detour signs to access the Bridge of Lions.

Superior Construction is expected to complete the \$4 million drainage improvement project by late 2023, weather and unforeseen circumstances permitting.

*The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.*
