Westbound I-10 to U.S. 301 Detoured Nightly October 4-7

BALDWIN, Fla. – As part of the I-10 and U.S. 301 interchange improvement project, westbound I-10 to U.S. 301 traffic will have nightly detours from 9 p.m. to 5 a.m., Wednesday, Oct. 4 through the morning of Sunday, Oct. 8, weather and unforeseen circumstances permitting. The overnight closures will be used to grind the concrete pavement on the ramps to northbound and southbound U.S. 301.

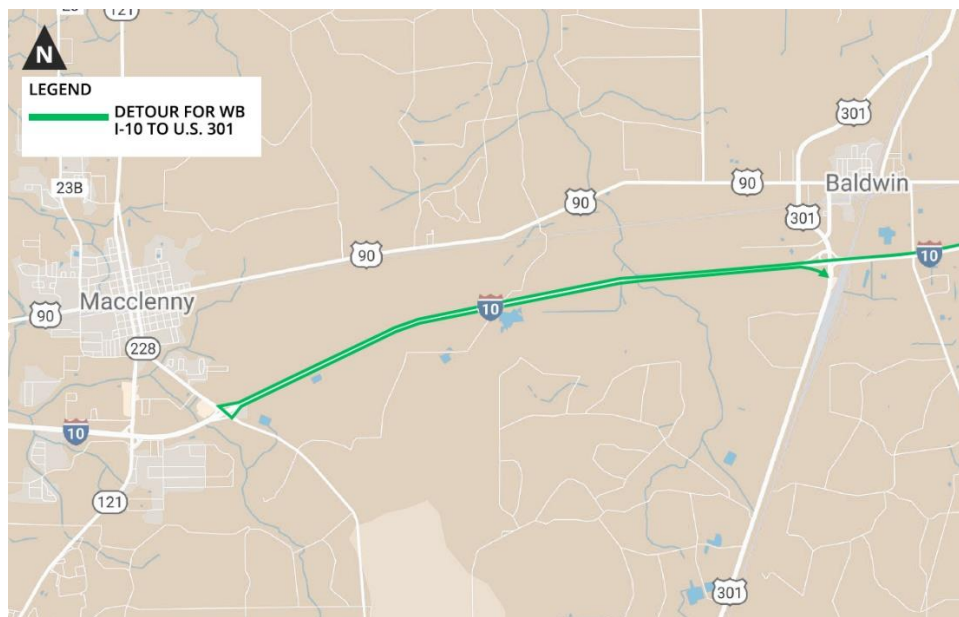

Ramp closed overnight Oct. 4 and 5 from westbound I-10 to southbound U.S. 301:

Traffic seeking to access southbound U.S. 301 will continue to State Road 228 exit, turn left onto State Road 228, turn left onto the eastbound I-10 entrance ramp and proceed to the U.S. 301 exit.

Ramp closed overnight Oct. 6 and 7 from westbound I-10 to northbound U.S. 301:

Traffic seeking to access northbound U.S. 301 will continue to State Road 228 exit, turn left onto State Road 228, turn left onto the eastbound I-10 entrance ramp and proceed to the U.S. 301 exit.

Graphic of detour route below:

Superior Construction Company began the \$65 million interchange improvement project in February 2016 and is estimated to complete the work this fall, weather and schedule permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](#) on Twitter, at [MyFDOTNEFL](#) on Facebook or by visiting [nflroads.com](#). Drivers seeking real-time traffic alerts may visit [www.FL511.com](#) or download the FL511 app.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
