

# County Road 361B

Over Rocky Creek (Bridge # 380070)

Taylor County, Florida

Financial Management # 439935-1-22-01

# PUBLIC MEETING

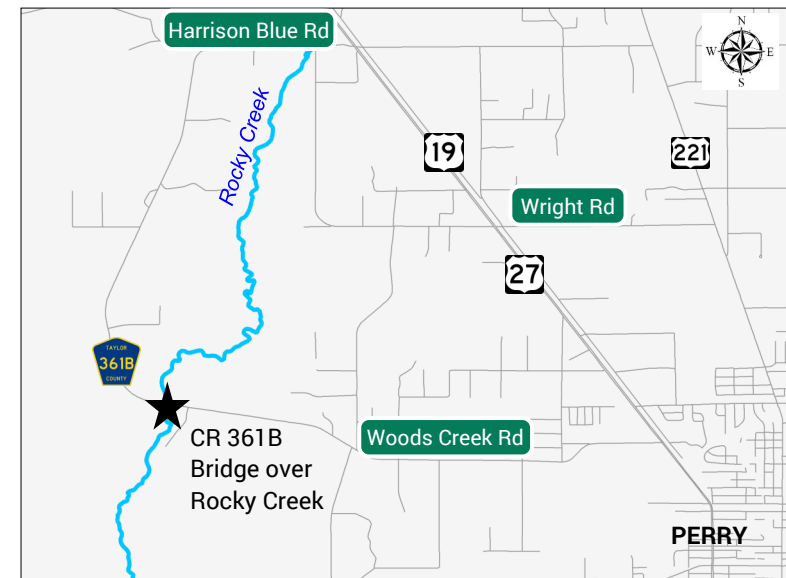

The Florida Department of Transportation (FDOT) invites you to attend a public meeting to discuss the proposed improvements to County Road (CR) 361B Bridge over Rocky Creek in Taylor County, Florida. **The public meeting will be held on Thursday April 18, 2019 at the FDOT Maintenance Office, 657 Plantation Road, Perry, FL 32348.** The meeting will be in an "open house" format from 4:00 pm to 6:00 pm to allow you an opportunity to review the exhibits and talk one-on-one with FDOT staff.

The FDOT is conducting a Project Development and Environment (PD&E) Study to replace the CR 361B bridge over Rocky Creek. Constructed in 1950, the bridge is reaching the end of its useful life. The study is proposing temporary detour routes during construction (see map on reverse side). FDOT encourages you to get involved throughout the study by providing comments, concerns, questions and/or suggestions to the Study Team. In addition, FDOT staff will be available to answer any questions regarding the CR 361 bridge replacement studies over Spring Warrior Creek.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Mr. Brian Brooker at the number provided below, at least seven (7) days before the public meeting.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the FDOT pursuant to 23 U.S.C § 327 and a Memorandum of Understanding dated December 14, 2016 and executed by the Federal Highway Administration and FDOT.
