## PROPOSED IMPROVEMENTS

The Florida Department of Transportation is proposing parking improvements on State Road 211 between St. Johns Avenue and Marquette Avenue as part of the State Road 211 (San Juan Avenue to I-95) resurfacing project (FIN 445431-1), currently expected to start summer 2024. Under the proposed design, FDOT is considering a reconfiguration of parking that would increase access to businesses, calm traffic and improve safety for all road users. **Two renderings of design can be found on the reverse side of the page.**

The proposed design is available for review online at [nflroads.com/VPH](https://nflroads.com/VPH) and will be available at the meeting. Persons wishing to submit written statements or other exhibits in place of or in addition to oral statements may do so at the meeting or by sending them to Jeff Daugharty at [Jeff.Daugharty@dot.state.fl.us](mailto:Jeff.Daugharty@dot.state.fl.us) or mailing them to Jeff Daugharty, 2198 Edison Avenue, Jacksonville, FL 32204. All exhibits or statements postmarked on or before September 8, 2023 will become part of the public record.
