

We need your input!

The Florida Department of Transportation (FDOT) is conducting a Project Development & Environment (PD&E) Study to evaluate the replacement of the Lem Turner Road (SR 115) Bridge (No. 720033) over the Trout River, also known as the C. Ray Green Bridge.

We are collecting information about marine vessels (i.e., commercial vessels, recreational boats, jet skis, etc.) that travel on the Trout River near the C. Ray Green Bridge. To help us understand the amount of marine traffic, please answer the following questions and mail this postcard back to us by October 16, 2023.

Do you travel on the Trout River below the Lem Turner Road/C. Ray Green Bridge? Yes No

If yes, what type of vessel? _____

vessel dimensions (feet): length _____, width _____, height _____

How often? **Frequently**, at least once a week (_____ times a week)

Occasionally, at least once a month (_____ times a month)

Rarely, less than once a month (_____ times a year)

Where do you typically launch? Private Dock at (address) _____

Public Dock

Questions about this survey or the project?
