The Florida Department of Transportation (FDOT) invites you to attend a construction Open House for the upcoming Merrill Road to Wonderwood Drive (State Road 116) resurfacing and roadway improvement project.

The informal open house will give the public the opportunity to view roadway plans and discuss details with FDOT staff and the project team. Participants can stop in, attend virtually or call in anytime between 5 and 7 p.m. to learn more about the project. To attend virtually please register at [nflroads.com/virtualmeetings](http://nflroads.com/virtualmeetings). The Open House location and phone access information is listed above.

The project includes roadway resurfacing and improvements along seven miles of State Road 116, known along the route from east of I-295 to A1A as Merrill Road, Ft. Caroline, Road, McCormick Road, Mt. Single lane closures will be in effect within the project limits through the duration of construction work.

The \$30 million project is scheduled to start in April 2022 and be completed in summer 2024, weather and unforeseen circumstances permitting.
