

I-75 AT US 441/US 41 INTERCHANGE IMPROVEMENTS

(Including Access Management Improvements at SW Howell Street)

Hybrid Public Meeting

Financial Management Number: 445725-5

Introduction

Columbia County, in conjunction with the Florida Department of Transportation (FDOT), District Two, invites you to the I-75 at US 441/US 41 Interchange Improvements (including access management improvements at SW Howell Street) Hybrid Public Meeting. The purpose of the meeting is to inform the public of the proposed improvements and serve as an official forum providing an opportunity for the public to express their opinions and concerns regarding the project.

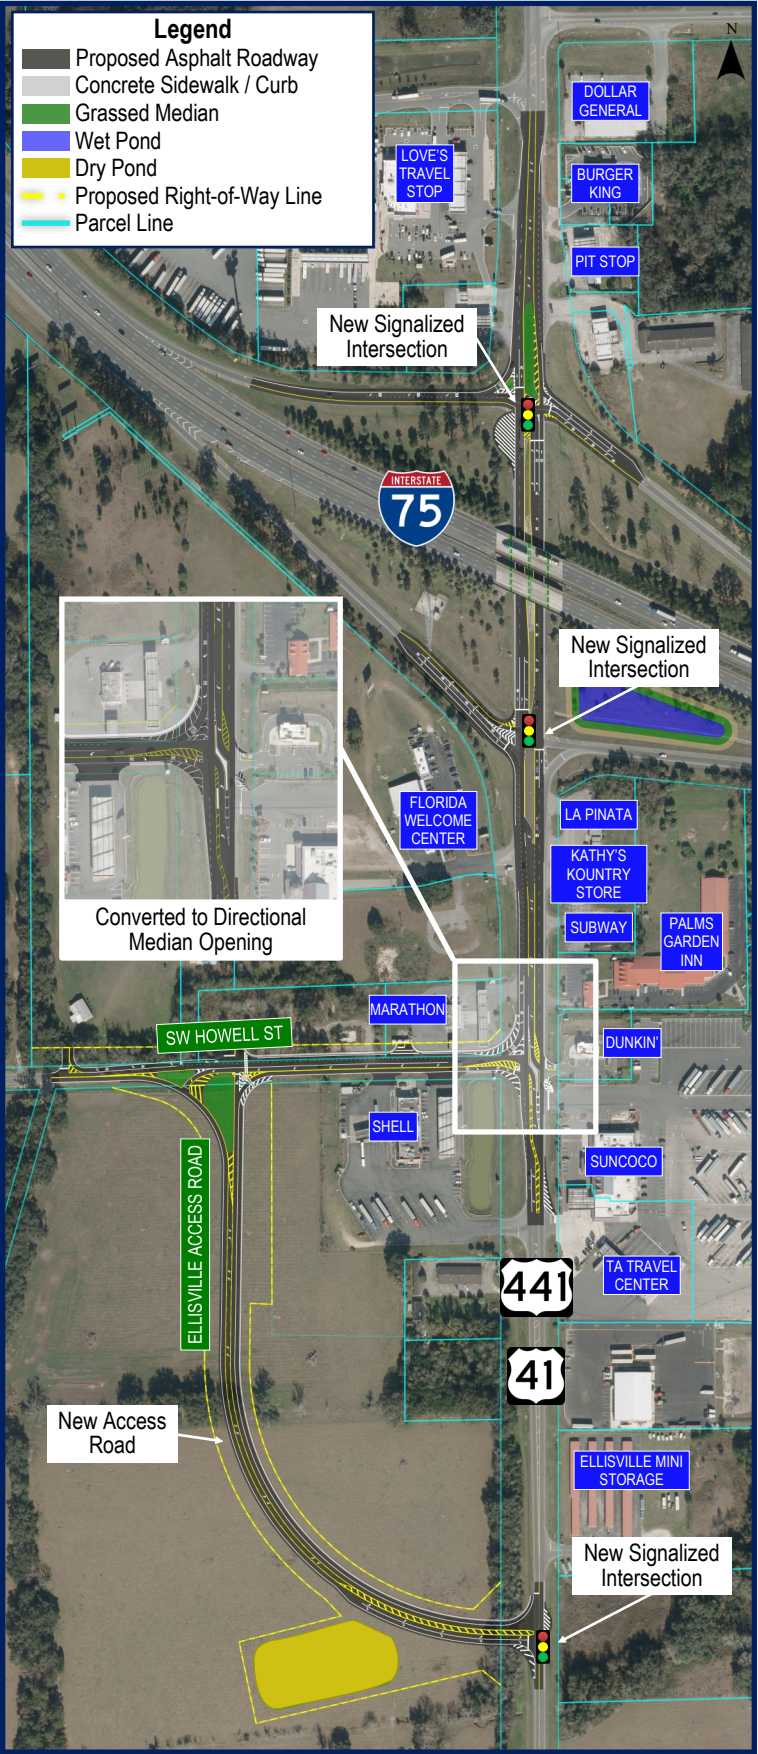

About the Project

The project is proposing operational improvements to the I-75 at US 441/US 41 interchange (commonly referred to as Ellisville Interchange) by signaling the ramp intersections, adding turn lanes, extending existing storage lanes, and accommodating U-turn movements.

South of the Ellisville Interchange, the project will enhance safety and operations by converting the existing full median opening at SW Howell Street and US 441/US 41 intersection to a directional median opening and providing a new signaled intersection 1,500 feet south of SW Howell Street. The movements removed from the SW Howell Street and US 441/US 41 intersection will be accommodated through a new roadway called Ellisville Access Road. These improvements will accommodate both existing developments as well as planned future developments along the corridor.

Project Location Map

Engage with Us!

For your convenience, there are several options to participate in the Public Meeting, including a virtual/online option and an in-person option. All participants, regardless of the platform they choose, will receive the same information about the proposed project and all comments received in-person, virtually, or electronically will be given equal consideration. For more information about the project, please visit the project website at www.nflroads.com/EllisvilleInterchange. Project materials can also be accessed by scanning the adjacent QR code:

Monday, November 18, 2024

Virtual/Online Option

Open House: 4:30 pm - 6:30 pm
Presentation & Public Comment Period: 6:30
Register at: www.nflroads.com/vph or
<https://attendee.gotowebinar.com/register/3026904276563302496>
