District Two of the Florida Department of Transportation invites you to attend a public meeting to discuss a proposed median modification on Beach Boulevard (U.S. 90) and Newell Boulevard, in Duval County.

FDOT proposes the following improvements:

- Removal of the eastbound left-turn lane onto Newell Boulevard
- Closure of the existing median opening

Closure of the median opening is proposed due to a persistent crash pattern. Over the past two years, 16 crashes have involved vehicles making left turns from this median opening. After the modification, these left-turn movements would be redirected to nearby signalized intersections at Southside Boulevard or Eve Drive.
