

CR 210 at CR 2209 (St. Johns Parkway) Intersection Access Management Improvements HYBRID PUBLIC MEETING

Financial Management Number: 441371-1 | St. Johns County, Florida

YOU ARE INVITED!

The Florida Department of Transportation (FDOT) District Two, in partnership with St. Johns County, invites you to attend the Hybrid Public Meeting for the County Road (CR) 210 at CR 2209 (St. Johns Parkway) Intersection Access Management Improvements Project (Financial Management No. 441371-1) in St. Johns County, Florida. This meeting is being held to inform the public of the proposed improvements and provide an official forum for the public to share comments, questions, and concerns about the project.

PROJECT LOCATION MAP

ABOUT THE PROJECT

The CR 210 at CR 2209 intersection is experiencing significant congestion due to the rapid residential and commercial growth in the area. The proposed improvements will redesign the CR 210 at CR 2209 intersection to:

- Improve the traffic flow by reducing the average delay at the intersection
- Enhance safety for all users by providing designated crossings for pedestrians and bicyclists and reducing the number of conflict points for motorized vehicles.

However, the proposed improvements will change how motorists navigate the intersection and access adjacent businesses.

WHAT IS ACCESS MANAGEMENT?

Access management is the careful planning of the location, design, and type of access to properties, businesses, and homes. This also includes median openings and driveway entrances. The goal of access management is to promote safe and efficient movement of people and goods by reducing potential conflicts on the roadway.

HOW DOES ACCESS MANAGEMENT IMPROVE SAFETY?

Access management improves safety by reducing the number of potential conflict points for users of the transportation network, thereby lowering the risk of crashes.

If you have concerns about access that affect your property or business, you can appeal to the **Access Management Review Committee** and request an opportunity to present your concerns in person or in writing by contacting:

ENGAGE WITH US!

For your convenience, there are several options to participate in this Public Meeting, including a virtual/online option and an in-person option. All participants, regardless of the platform they choose, will receive the same information about the proposed project and all comments received in-person, virtually, electronically, or by mail will be given equal consideration.

VIRTUAL OPTION: April 7, 2026

Open House: 5:30 p.m. - 6:00 p.m.

Presentation & Public Comment Period: 6:00 p.m.

Register at <https://register.gotowebinar.com/register/1937600526306180703>

Or scan the QR code

IN-PERSON OPTION: April 9, 2026

Shearwater, Kayak Clubroom

100 Kayak Way

St. Augustine, FL 32092

Open House: 4:30 p.m. - 6:00 p.m.

Presentation & Public Comment Period: 6:00 p.m.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. People who require special accommodations under the Americans with Disabilities Act or who require translation services (free of charge) should contact Valerie Pacetti, Project Manager, at least seven (7) days prior to the meeting.

HOW TO GIVE YOUR FEEDBACK

After reviewing the meeting materials, and/or participating in the meeting, you may submit your comments in the following ways:

- During the virtual or in-person meeting, or
- Through the project website at www.nflroads.com/CR210, or
- Emailing the Project Manager **Valerie Pacetti** at vpacetti@sjcfl.us, or
- Mailing comments to the Public Works-Engineering Division St. Johns County, 2750 Industry Center Road, St. Augustine, FL 32084.

While comments about the project are accepted at any time, please note that comments must be received by **April 20, 2026**, to be included in the official meeting record.
